Fraser Direct Distribution Services

Fraser Direct Distribution Services is moving to Milton on June 1, 2016. The sixteen year-old Third Party Logistics company will occupy 80% of a 105,000 square foot building at 8300 Lawson Blvd. The move reflects the company's need to consolidate its operations and will combine three warehouses, presently located in Georgetown and Acton, into one. The company's supply chain consulting division, will continue to be located in London, ON.

Fraser Direct is a one-stop shop for supply chain services, including international freight movement, customs brokerage, and warehousing/distribution/fulfillment solutions. With seven customs brokers on staff, a site license to import natural health products and the ability to store and ship pharmaceuticals, their services are customizable for each client.

Industry specialties are:

1. Quality-assured warehousing for natural health products
2. Food distribution
3. Co-packing, secondary packaging and marketing fulfillment for consumer packaged goods
4. Distribution for publishing clients

Fraser Direct ships Canada-wide to major retailers, independent retailers and direct to consumers.

Fraser Direct is growing (22% in the last 3 years) and is happy that their new Milton location provides closer access to more space in the future. Fraser Direct has a staff of 120 people, 98% of whom are coming to Milton. They expect that operating in Milton will result in an additional 20 jobs over the next year.

Fraser Direct is a family-owned business, with both first and second generation Frasers at the helm. Community involvement is a core value of the company. President Lois Fraser received an Ontario Medal of Citizenship in 2014, reflecting 170 years of combined service, volunteering in 30 different organizations. Recently, Lois Fraser has been named in the top 100 Women Entrepreneurs in Canada, by Profit Magazine.
